Tuition and fees: \$186.63 for in-state students \$582.99 for out-of-state students

REQUIRED ON THE FIRST DAY OF CLASS:

- **Textbook:** Emergency Medical Responder: First on Scene, 12th Edition, ISBN # 978-0138100568. Available at the Miami Dade College, North Campus Bookstore, (305) 237-1247, or online. Digital or Physical copy of the textbook is acceptable. Prices range from \$50- \$150 either through the bookstore or outside vendors. **MDC Shark Pack: Program for purchasing textbooks at a discounted rate. The price is \$40.13 This fee is automatically added to your fee invoice.**
- **Expectations:** First Responder is a co-requisite course for the Fire Fighter Minimum Standards Program and a requirement to take the State of Florida Firefighter Certification Examination. All hours are mandatory. Every student who participates in this course represents the Fire Science Program of MDC and are **required** to come to class in proper attire (polo shirts, dark or khaki colored pants with a belt, closed-toe shoes, and well-groomed). Tardiness, improper attire, and disrespectfulness are prohibited, no exceptions. These expectations are preparation for the transition into the Fire Fighter Minimum Standards Program.

Deadline for registration is the day before the first day of class.

NOTE: In order to register for this course, you must be an active student for the Summer 2025 term with Miami Dade College under either Fire Fighter Minimum Standards(program code: 57004) or Firefighter/EMT Combined (program code: 58000). This is a vocational credit program. **Summer 2025 term** registration begins **March 12, 2025**. This course is limited to the first 24 students.

ACCESS (A Comprehensive Center for Exceptional Student Services): Students who feel the need for this service are urged to visit an ACCESS advisor for evaluation and determination for eligibility. To be eligible for special services through the ACCESS Department, a student must provide documentation regarding their situation. No retroactive accommodations can be provided. The student ACCESS office is located in room 6112 at North Campus, contact: (305) 237-1272.
